login = manager only.

WHO LOGS IN

owner / manager signs into the **dashboard** - uploads procedures, sees live training data, manages locations.

trainees never log in. manager hands them the headset and enters their name + ID on the floor.

tone

warm + direct. matches the netlify site:

"stop training. start coaching."

bold caps for headlines, friendly body. Coach has personality.

MULTI-DOMAIN

stationai isn't just QSR. asked at **sign-up** - restaurants / retail / hospitality / logistics / warehousing / other.

domain drives the dashboard imagery + terminology after login.

safe + friendly.
